

I just wanted to express how K-Love has served me and my friends in Golden Colorado with one of the best Christian Radio Stations ever! It is so comforting to know that I can listen to nothing but encouragement and uplifting music, especially with no commercials. The station I listen to is 91.1 in Morrison/Denver. As the world seems to be turning more and more to negative publicity, it is so important to have something positive to turn to for hope. Please preserve this service, it is my world. Thank you
